## Desperately seeking....

We are looking for volunteers to be a part of one or more of the following:

- Research restaurants for Wednesday’s Dining Adventure. We’d like different ones each month
- Research summer outdoor events for Wednesday nights in July (family room is not used in July; there are no meetings in August)
- Decide what we will need to attend these events
- Help in facilitating these events.
- Research an event for a weekend day for 2nd week-end in July and two in August.....

### A Word From Our Treasurer, Phyllis Satter

Over the last three years, I've found the more involved I become in the club's activities, the more I enjoy myself. So, I'm enthusiastic being the new treasurer and serving on the Board.

Besides enjoying the club's activities and friendships, I love books, movies and all kinds of music. Traveling with my sister is another big enjoyment. But my most euphoric times are when I'm playing with my three precious grandchildren and when taking a walk with my eight pound Papillon named Robin—the world's best dog!

### Member’s Corner

Congratulations are in order for Fran Thomas on the outstanding job she did in the three different purchases and sale of theater tickets, organization of dinner for almost 20 people, and then accommodating everyone at her home afterward for dessert. Originally people felt this was too late, but so enjoyed the evening they all appeared. A huge thank you!

it can be FUN looking into them. I look forward to working with all who want to participate in this venture with me.

Thank you,

Del Zalesky

**Old Rhinebeck Aerodrome cont'd from pg. 1**

We will provide some beverages and ice. Limited fast food items are for sale, but we encourage you to pack your own lunch. Also bring a snack or drink to share and a folding chair or cushion on which to sit while we eat. After lunch, you may wish to tour the museums and grounds.

Also available are twenty minute rides over the Hudson Valley in a 1929 biplane. These are on a first come/first served basis @\$75 each. It is highly recommended that you sign up immediately upon arrival if interested. Be ready to don goggles and leather helmet as you sit in an open cockpit for this 'terrifying' thrill.

Primary attraction is the air show which begins at 2pm and lasts until 4 pm. We will sit on wooden bleachers so you may want to use your cushion here also.

If you want dinner on the way home, we can suggest several restaurants in historic Rhinebeck which is a few miles south of the Aerodrome on Rte 9 which easily leads back to the Taconic.
