## SAVE THE DATE! INTO THE WOODS

**Friday, Feb 11** – Kveskin Theater. James Lapine and Stephen Sondheim take everyone's favorite storybook characters and bring them together for a timeless, yet relevant, piece... and a rare modern classic. The Tony Award-winning book and score are both enchanting and touching. The story follows a baker and his wife who wish to have a child; Cinderella, who wishes to attend the King's Festival; and Jack, who wishes his cow would give milk. When the baker and his wife learn that they cannot have a child because of a witch's curse, the two set off on a journey to break the curse. Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results.

Organizer: Carolyn Möller
