BOARD CORNER

This is your club...and your dues is an investment in it. We want you to know what that investment does for you:

What is it that we get for our investment anyway?

- Greenwich Club has more diverse activities than most singles groups: Monday dinners, Wednesday meetings with lively discussions and guest speakers, movie night, book club, hiking, and special monthly events including dances, theatre, museum and site visits.

- You receive well-designed, informative monthly newsletters highlighting the events of the month.

- You receive frequent eblasts describing event info.

- You have a website that summarizes who we are and references previous Newsletters if you want to look up information or direct a potential member to see what we are about. (www.greenwichclub.org)

- You avoid guest fees.

- You can attend all our “members only” events such as Fireside Dinners.

- You are encouraged to offer suggestions of activities that interest you and restaurants for us to try.

In other words, this becomes your club.

What you get for your investment:

5 of the 7 volunteers enjoying Coastal Clean-Up Day at Greenwich Point.

Regarding the Fireside Dinners...

We are planning on four in January. To date, we have three members who have signed on to be hosts. We need a fourth! Each host provides the main course for eight people and informs their guests of the items needed to have the dinner be complete. These have always been very popular. If you are interested, please contact Gillian at gillh@verizon.net
